### North American Letter (Franklin Covey Monarch) vs A4

A4 (297x210mm)	
Letter (FC Monarch) (11x8.5"; 279x216mm)	

#### **Logic of Metric Paper Sizing**

A4 (297x210mm)	
Notice that the ratio of length to width is always $\sqrt{2}$ !	
This means that documents formatted for Metric Letter (A4) can always be scaled to larger or smaller sizes without reformatting.	
A5 (210x148mm)	
A6 (148x105mm)	
A7 (105x74mm)	
A8 (74x53mm)
