

Seasonal To Do Lists

In order to maintain your home there are a host of small jobs you need to do on a seasonal basis.

What better place to record these tasks than in your planner, may be in a separate home planner.

We hope to highlight some of the tasks we have thought of, but we are sure you will be add to the list of things for your own home.

If you have ideas for future episodes please send them to [steve at philofaxy dot com](mailto:steve@philofaxy.com)
