Getting Past New Years Resolutions

A lot of people set themselves ambitious goals and resolutions in the New Year, by the end of the first few weeks these have often slipped or fallen by the wayside in to the long grass.

This episode we discuss ways that you can use your planner/journal to help you combat this slippage and to help you monitor your progress and try to maintain your motivation through the Winter days.

If you have ideas for future episodes please send them to steve at philofaxy dot com

Show Notes (timings approximate)
