

Organising the family

The planets have aligned and your planner is chugging along perfectly.

Then suddenly: FAMILY! How do you get your family on board with planning or at least participate in your interplanetary goal of dining at the restaurant at the end of the Universe?

In this week's episode, Steve and Karine discuss strategies and tactics for staggeringly minuscule successes in planning with others.

Tune in and thanks for all the fish.

If you have ideas for future episodes please send them to steve at philofaxy dot com

Show Notes (timings approximate)
