

The Hitch Hikers Guide to the Plannerverse - Episode 7

How do you carry your planner?

We often get asked how we carry our planners and what else do we carry with them? We also see a lot of photos on social media of accidents that have happened whilst carrying your planner in a bag along with other things. Sharp objects, ink from pens are all enemies of planners.

If you have ideas for future episodes please send them to steve at philofaxy dot com
