

The Hitch Hikers Guide to the Plannerverse - Episode 2

Where to start your planning journey and why....

We would both like to thank everyone for the excellent feedback on [Episode 1](#), take a listen if you haven't already.

Karine set the title for this episode. We then both went off to do our own independent research and to come together to put forward our own thoughts on the topic of '**Where to start your planning journey and why.**'

We are also looking in to getting the podcast on to iTunes, but it might take a little time.
